W. H. DANIEL "MAKES GOOD"

PICKS UP 125 POUNDS AND WINS SAPPHIRE STAKES IN FAST TIME.

Tip toe Wins the Ocean Handicap—Neva Lee is Badly Ridden—Matt Allen Works Fountainblue—Colt is All Right.

New York, September 10.—It was sizzling hot today and the attendance at Sheepshead Bay was consequently light. The grandstand was practically deserted. The card of seven races, embracing a total of 111 entries, the record for a single day in the east this season, had for features the Sapphire Stakes and the Ocean Handicap. W. H. Daniel, the alleged \$35,000 gold brick of early spring, clinched his claim to high rank in the two-year-old division by picking up 125 pounds in the Sapphire Stakes and spreading his company in the fast time of 1:06 1/2 for the five and a half furlongs. Experts pronounced this a brilliant performance in view of the weight the Woolsthorpe colt conceded to the others and the easy manner in which he finished out the journey.

A big field of fast horses tried conclusions in the Ocean Handicap at a mile. August Belmont's Tip toe won all the way from the misshapen western mare, Neva Lee. Andrew Miller's Inquisitor, with Miller up, was a heavily supported favorite, but ran unplaced.

The betting public started off well with the victory of Joe Miller in the first. They accepted 7 to 5 and less with avidity, despite the big field. John P. Mayberry won out his winter feed with Robin Hood in the six and a half furlongs race. Dandelion and Miller proved a winning combination in the mile and a furlong handicap, fifth on the card. Waterbury, another favorite, handily annexed the sixth for two-year-olds. Miller, who rode Lally in this race, was thrown at the start and for a long time the crowd was in suspense. His return was greeted with cheers. An even bigger ovation greeted him when he brought in Lancasterian a winner in the closing race at a mile and three-quarters over the grass course.

Sinister rumors reflecting on jockeys Jack Martin and W. Shaw, riders respectively of Fountainblue and Electioneer, is an aftermath of the great Flatbush Stakes in which these two turf celebrities sustained such crushing and inexplicable defeat. Trainer Matt Allen was not satisfied with Jack Martin's ride on Fountainblue and said so. In the presence of J. B. Brady, Davy Johnson, Chairman of the Racing Commission, and sixty horsemen, Fountainblue was worked yesterday afternoon over the Gravesend track. He ran the first furlong in 1 1/4, the quarter in 22 1/2, three furlongs in 53 1/2, half in 1:06 1/2. Then Mr. Allen waved to the boy to stop, but the five furlongs were covered in 3:04 and the sixth stopped still right in front of the finishers, six furlongs in 1:16. Mr. Allen went before the stewards this afternoon, but declined to make any accusation against Martin. He simply related the facts of the work.

J. B. Brady said that he was averse to condemning his favorite jockey and intended to give him every chance in the world to make good and put him up again on Fountainblue tomorrow.

Electioneer is owned by Felix Isman, but will run hereafter in the name and colors of his agent Curtis Van Ness.

GOOD SPORT AT WINDSOR.

Detroit, Mich., September 10.—The last week of the Windsor meeting was begun with large attendance and good sport. Three favorites won. Toots Mook was the "good thing" of the day and had heavier support than any other winner. The followers of jockeys Swain and Mountain came in for their share of the spoils, as each of these riders rode two winners.

While schooling Lady Jocelyn through the field after the last race on Saturday, Charles Holt was badly injured. The mare fell heavily after taking the water jump and rolled over Holt. It is feared that Holt has concussion of the brain.

The stables of E. Dealy and W. C. Gardner were shipped to Toronto this morning. Dealy left Benavolo over to run in the third race.

M. S. Gardner ships his stable from here to Churchill Downs next Thursday.

HARRY KEENE DIES IN NEW YORK.

New York, September 10.—Harry Keene, a younger brother of James R. Keene, died yesterday at the Holland House, New York. He suffered an attack of paralysis three years ago and never regained his health, though he continued to take an active part in the business of the Rubber Goods Company, where he was secretary. He was educated at Williston Seminary and Williams College, and for a time was a member of the editorial staff of the Springfield, Mass., Republican. Later he became a member of the firm of Bowles Brothers, bankers, in Paris, France, and after their failure went to England to take charge of James R. Keene's racing stable. In the United States in later years he held many offices of trust.

PROBABLY WITHOUT FOUNDATION.

"A sidelight on Electioneer's defeat in the Flatbush Stakes was mentioned by some racegoers, who said it might have some bearing on his failure," says the New York World. "They said that Shaw had only received \$25, his regular fee, for riding Electioneer in the Futurity and that he felt 'sore' about it. Usually the owner of a Futurity winner presents the jockey with one or two thousand dollars. Although a week has elapsed since the big event, Lakeland has failed, these men stated, to give Shaw more money than the racing rules demand."

HALMA ARRIVES FROM FRANCE.

New York, September 10.—The black stallion Halma, donated to the breeding bureau of the Jockey Club by W. K. Vanderbilt, arrived from France on the steamer Minneapolis yesterday. A number of prominent horsemen and breeders inspected him at his temporary quarters on Fourteenth street this morning.

AFTER THE ROUGH RIDERS AT LOUISVILLE.

B. Miller Is Suspended and Hicks and Sandy Are Fined—Alcor's Defeat Proves Costly.

Louisville, Ky., September 10.—Three jockeys were punished for rough riding at Douglas Park this afternoon. B. Miller, who rode Orlandwick, was suspended for the remainder of the meeting. He interfered with Still Alarm. John L. Inglis was bumped out of all chance of winning the fourth race by Sir Russell and Sandy, who piloted the offending horse, was fined \$50. In the last race Hicks, who was riding Moccasin Maid, carried Athena out until Seder beat him off with his whip. Hicks was fined \$50. Seder was not admonished. He had been fined \$25 by the starter for misbehavior at the post in the first race.

Favorites were downed in five of the races the exceptions being Colonel Jim Douglas and Athena.

Pat Dunne and his following lost a considerable sum through Alcor's failure to win the seven furlongs race. Alcor was badly handled by Perrett in addition to suffering from interference.

Ben Vivant graduated from the maiden ranks by winning the opening race after leading almost throughout.

Bushtorpe, recently purchased by C. Helfers, grabbed his quarter at the post. He will be out of training for some time. Puncilaire also grabbed his quarter in his race Saturday. T. P. Hayes says he will be out of training for at least two weeks.

J. S. Newman will ship his stable to Texas after this meeting. They will be raced at Dallas and then sent home. Newman will take up twenty-eight youngsters and campaign most of them on the coast tracks this winter.

There will be three steeplechase races during the state fair at Churchill Downs next week. Jockey Wishard, just arrived from Windsor, rode two winners this afternoon.

TWENTY LEADING JOCKEYS.

Walter Miller rode five winners at Sheepshead Bay last week and is again at the head of the list of winning jockeys, leading Nicol by two. Nicol, during his first week in the east, failed to pilot a winner. His riding was severely criticised by several of the New York turf reporters. However much these pencil pushers may prate about his work, the fact remains that his percentage in riding is several points better than that of any of the topnotchers. Radtke is showing improvement. He rode seven winners last week. George Mountain is unquestionably the best rider on the Northern Circuit. Last week he rode ten winners, eight the week previous and seven the third week back. Aubuchon is the best boy at Louisville, but he came under the rule of the starter for misbehavior at the post and was inactive for the greater part of last week. M. Preston, with his five winning mounts, made the best showing at Douglas Park. This is the standing of the twenty leaders from January 1, to and including the racing of September 8:

HENDRIE BROTHERS FORM PARTNERSHIP.

Detroit, Mich., September 10.—George Hendrie and his brother, James S. Hendrie, of Hamilton, Ont., have formed a partnership and will continue the stable of their father, William Hendrie, who died last month. The colors of the famous old Canadian turfman will be claimed with the Jockey Club and some good horses will be purchased. The new firm bought of E. S. Gardner last week the two-year-olds Restoration and Charlie Gilbert.

DRAKE WILL RETAIN HIS STALLIONS.

Ort Wells and Savable are the only horses owned by John A. Drake that are not to be offered for sale at Sheepshead Bay next Saturday. They are in the stud. "If these two stallions can get some good colts and fillies for me," said Mr. Drake to a New York reporter a day or two ago, "I will enter them in stakes and race them. But I am done with overnight handicaps and selling events. I am going to quit the turf for a while and I am trying to induce Enoch Wishard, my trainer, to follow suit."

HENSHALL TO GO ABROAD FOR HORSES.

New York, September 10.—C. T. Henshall is going to England and France during the coming fortnight in quest of horses. It is said that he intends to invest about \$50,000 in horses now in training and will bring them here for racing next season. Mr. Henshall is a firm believer in the superiority of the foreign bred racer over the American product and he also entertains the idea that for \$50,000 he can get horses the equal of which would cost him \$100,000 in this country.

NO BLEMISH ON DE MUND.

New York, September 10.—"There is absolutely nothing in the story that has been going the rounds to the effect that a pebble was extracted from one of De Mund's feet," said trainer May. "The colt is without a blemish of any kind. He has never been jumped on or bumped even. I have never handled a horse that was sounder in every way. The colt is improving every day."

CROKER'S SUCCESS ON IRISH TURF.

Richard Croker, the former Tammany chieftain, is keeping up his winning record on the Irish turf. "The star two-year-old performer of Mr. Croker's string this year is a strapping colt, by Orme—Rhoda B.," says a report from London. "Many experts regard this colt as the best two-year-old in Ireland this year, and believe he would give the best of the French youngsters a stiff argument if Mr. Croker had not forewarned racing on this side of the channel."

CLOISTERESS WINS ANOTHER MATCH RACE.

After the last race on the program at Sheepshead Bay Saturday afternoon there was a match race between Cloisteress, owned by Harry K. Vincent, and Glenham, owned by J. W. Henning. The race was for \$2,000 a side and Cloisteress won. Cloisteress has run quite a number of matches this season and has never been beaten.

ELLISON WINS \$66,400 AT SHEEPSHEAD BAY.

Says It Was the Biggest Day He Ever Had—Record of His Wagers.

New York, September 10.—C. R. Ellison, the Chicago turfman, won \$66,400 on his betting operations in the ring at Sheepshead Bay this afternoon. "It was the biggest day in my career on the turf," he said to Daily Racing Form's correspondent as he displayed the following record from his memorandum book:

Wager.	Horse.	Odds.	Lost.	Won.
\$1,000	Joe Miller	7-5	\$ 1,400
\$5,000	Robin Hood	5-1	25,000
\$5,000	W. H. Daniel	4-1	20,000
\$10,000	Inquisitor	8-5	\$10,000
\$2,500	Ostrich (place)	7-5	3,500
\$1,000	Waterbury	2-1	2,500
\$6,000	Lancasterian	4-1	24,000

Totals \$10,000 \$76,400

Loss deducted \$10,000

Total winnings \$66,400

The New York papers this afternoon report Ellison as having won fabulous sums, claiming that his winnings on W. H. Daniel alone were over \$75,000. The figures quoted above, however, are correct.

SMALL AVERAGE FOR ELMENDORF YEARLINGS.

New York, September 10.—This was the first day of the sale of the thoroughbred yearlings from J. B. Haggin's Elmendorf Stud at Sheepshead Bay paddocks. Fifty head were sold for \$22,400, an average of \$448. The summary:

FOY SECURES RELEASE FROM M'CARREN.

Cincinnati, O., September 10.—The Circuit Court at Cincinnati has declared the contract held by Hugh McCarren, Jr., on the services of jockey Vincent Foy to be invalid. Foy is now under suspension for a suspicious ride on St. Paris at Latonia. He will seek reinstatement by the American Turf Association and Western Jockey Club. It is understood that his next employer will be Edward Frye of Huntington, W. Va., who, it is said, intends to buy a stable of horses for winter racing.

NEW POOLROOM IN KENTUCKY.

Cincinnati, O., September 10.—The poolroom at Huber's Garden in Newport is to have opposition. The new place is to be at Bellevue just outside the corporation limits of Newport.

BEST MODERN SPRINTERS.

ROSEBEN THE UNQUESTIONED KING AMONG SPEEDY WEIGHT CARRIERS OF TODAY.

Few Better in Any Period than Lady Amelia—Voter's Pronounced Consistency—Records of Notable Performances.

August 18, Daily Racing Form published a list of thirty odd horses that had run three-quarters of a mile this year faster than 1:13. Additions have already been made to this list. Peter Pan running three-quarters that very day in 1:12 1/2 with 130 pounds up. Ten years ago O'Connell held the sprinting record by virtue of having covered three-quarters in 1:12 1/2 and such fast time was then justly esteemed marvellous. Today a sprint in that time would simply be considered a fast race, but not so uncommonly fast as to evoke more than passing comment.

Today Roseben is the unquestioned king of sprinters. He is such by reason of almost incredible exhibitions of speed under high weights. He carried 147 pounds at Belmont Park last fall and set a new record at three-quarters, running the distance in 1:11 1/2. Yet it does not follow that Roseben is faster than other great sprinters of other days. Kingston took up 139 pounds in 1891 and ran the short Futurity course in 1:08. This may have been a better performance than Roseben's because of the difference in tracks. The track for hard and lightning-fast tracks, that now prevails was not the fashion then. The trackmaster of today is profoundly versed in the art of so grading and manipulating the soil that all tracks are much faster than they were ten years ago. Brighton Beach, for instance, has been transformed from one of the slowest to almost the fastest track in this country. Any comparison not giving due weight to this factor would be unfair.

Ten years ago Gotham was probably the best sprinter in active racing. At any rate in the sprinting handicaps of 1896, he was generally top weight. Clifford was no doubt his master, but Clifford was on the shelf that year. Harry Reed, Ferrier, Irish Reel and Rubicon were probably his most formidable competitors. Gotham was a big chestnut son of Iroquois and the Great Tom mare Trade Wind, and was the property of John J. McCafferty. His best performance in 1896 was when he won the Bronx Handicap, at Morris Park. The track was sloppy, wet with 140 pounds on his back he ran the last three-quarters of the slow Witherby mile in 1:14 1/2. It was a fine performance from any point of view, and it is doubtful if Roseben could do any better under the same conditions.

In 1897 Voter came into prominence as an exceedingly fast three-year-old over short distances. He afterwards developed into a crack miller as well as the champion sprinter. He was the first American racer to run a mile in 1:38 in a race. This he did at Brighton Beach, July 17, 1900, with 122 pounds up. Like Roseben he was a mighty weight carrier. He ran three-quarters at Sheepshead Bay in 1:12 1/2, with 133 pounds up and seven-eighths at Brighton Beach in 1:25 1/2, with 138 pounds up. This was the same year that he won the Kentucky Derby, with 120 pounds up, in 1:59 1/2. His other extra swift ones then, some of which were stayers as well as sprinters, included such as Hastings, Clifford, Flora Louise, Abuse, Cesarion, Cleophas, Ornament and Yemen. Voter was not running in 1898, but besides some of the old guard Algol, Swiftmas, Tracer, Typhoon II., Octagon, Imp, Nicholas, Kinlinic, Isidor, Brian Sweet, Mar W. and Bala won conspicuous distinction by displays of brilliant speed over short distances with no horse standing out distinctly as the champion sprinter of the time. Perhaps Imp might have been had she been confined strictly to that style of racing. She was as quick as a cat in getting in motion and as "Yule" Clay remarked at "Yule" Park, "Dat black mah runs pow'ful fas'." Geyser was another terribly fast sprinter of that date.

Voter returned to the track in 1899 and was the unquestioned champion sprinter that year and in 1900 and 1901, being seven years old in the latter year. How admirably his speed had been conserved an age when horses are generally on the down-hill grade is shown by a comparison of his best races at three-quarters in different years:

Year.	Place.	Race.	Wt.	Time.
1899	Saratoga, Purse.	123	1:12 1/2
1900	Brighton Beach, Sea Cliff Stakes.	133	1:12 1/2
1901	Sheepshead Bay, C. Isl'd Hdcp.	133	1:12 1/2

There is consistency for you and Voter was always a reliable and consistent racer up to a mile, and Electioneer and Ballot testify that memory of his worth is to be maintained by his descendants. Some of the horses distinguishing themselves by fast sprinting in the years of Voter's supremacy were Hehobas, Timemaker, Kenilworth, King Barleycorn, Firearm, Vulcan, Coburg, Rush, Demurmer, Yellow Tail, May Beach, Dublin and Contester, Hellobas, Dublin and Kenilworth in particular being horses of tremendous speed.

Following Voter's retirement Chucanunda came into great prominence and in the opinion of eastern folks could beat anybody's horse at any distance up to a mile. He was certainly a remarkably speedy horse and his performances in 1902, '03 and '04 were marked features of American racing. Then in 1903 came Dick Welles and one bright day at Washington Park, electrified the turf world by running three-quarters in 1:11 1/2, after being practically left at the post. As a matter of fact he actually ran the distance in 1:10 1/2, but that could not go in the record. It may well be doubted whether any faster horse ever stood on iron than that same Dick Welles. Then, pre-eminent among sprinters, came the splendid mares Hamburg Belle and Lady Amelia and then Roseben. In the meantime there have been some others. In 1904 Reliable gave some remarkable exhibitions of great speed under high weight. In the mud at Brighton Beach, with 140 pounds up, he beat Honiton, 105, and seven other fast ones lightly weighted, in 1:15 1/2. At the same track when it was fast he ran three-quarters in 1:12 1/2, carrying 142 pounds, and again in 1:13 with 138 up. At Gravesend he ran the "about" six furlongs twice with 140 pounds in the saddle in 1:10 1/2 and 1:10 1/2 and once with 136 pounds in 1:08 1/2. He was a son of Watercross—Arnette, like Roseben, in his ability to carry great weight without being oppressed by it and fast—not as fast as Roseben—but very fast.

If one was to go back a bit farther than ten years in search of a probable match in speed for Roseben, it is likely that Kingston would be selected. This horse was not a sprinter pure and simple as Roseben is. He could win at five furlongs or three-quarters from the best one day and at a mile and a quarter the next. His speed was of the extreme order from the time he made his debut as a two-year-old until he was retired from the track.

TODAY'S BEST.

At Windsor—Entre Vous, second race.
At Sheepshead Bay—Ginette, sixth race.
At Douglas Park—Oasis, first race.
Best of the day—Ginette.

Mortiboy at good odds has a good chance in the
first Sheepshead.

In 1891, when seven years old, he gave the follow-
ing consecutive displays of his prowess as a
sprinter:

June 17—Sheepshead Bay, Futurity Course.
131 pounds1:10
June 19—Sheepshead Bay, Futurity Course.
131 pounds1:12½
June 22—Sheepshead Bay, Futurity Course.
139 pounds1:08
"Heavy" track.

In these races he simply cantered from the other
superior sprinters of his day. To show his versa-
tility he took up 128 pounds on the day after run-
ning the Futurity Course in 1:08 and won the
Coney Island Stakes at a mile and an eighth, de-
feating Potomac and Saunterer.

Roseben, thanks to his own grand speed and
almost perfect tracks he has been raced over, has
to his credit a list of performances at three-
quarters never equalled and this table gives the
best of them:

RACES IN 1905.
October 6—Belmont Park, 147 pounds1:11½
October 4—Belmont Park, 140 pounds1:12
October 13—Belmont Park, 130 pounds1:12½
July 5—Gravesend, 135 pounds1:12½
July 1—Sheepshead Bay, 140 pounds1:13
July 15—Gravesend, 140 pounds1:13
August 22—Saratoga, 140 pounds1:13

RACES IN 1906.
September 6—Sheepshead Bay, 137 pounds1:12½
September 1—Sheepshead Bay, 132 pounds1:12½

Of the sprinters of the present time few are
better than Lady Amelia when in perfect form. She
is a great weight carrier and oddly enough, her
best displays have been over the comparatively slow
Gravesend track, the "about" six furlongs
course seeming to suit her notions admirably. When
a three-year-old in 1904 she won the following strik-
ing series of races over it:

September 19, 125 pounds1:09½
September 23, 130 pounds1:10
September 26, 135 pounds1:10½
September 28, 140 pounds1:10½
Taking age into consideration, the four races are
excellently paralleled by the following four she won
over the same course this year:
May 21, 130 pounds1:10
May 23, 137 pounds1:10
June 7, 138 pounds1:09½
June 14, 142 pounds1:09½

The apprentice allowance of jockey Pat A. Walsh
expired Saturday.

William Steele is breaking eight yearlings for
Julius Bauer at the Lexington track.

The Jockey Club has issued an order prohibiting
pawbroking on the New York race tracks.

The New York Sun says M. L. Hayman has de-
cided to dispose of all of his horses. He is still
buying yearlings, however.

The Los Angeles Evening News announced that
General Manager Brooks of Ascot Park has decided
not to make a trip east this fall.

Elliot C. Cowdin, who owns the Maplehurst Farm
at Mt. Kisco, N. Y., will be the judge of the
thoroughbred classes at the fair in Lexington, Ky.,
next week.

W. A. McKinney, C. A. Rossand and W. A. Porter
are among those now in the east who have applied
for stable room at Ascot Park. They want twenty
stalls each.

The yearlings purchased during the past week
by Robert Tucker will be shipped to Lexington in a
few days to join the band collected at Saratoga and
now being broken by Mickey Shannon.

The "about six furlongs" at Douglas Park means
that the distance is 190 feet short of six furlongs.
It is said to be the intention of the management to
build a chute out of which the races at six fur-
lows will be started next spring.

J. J. F., St. Louis, Mo. Under your stipulation
the bet was a draw on Kentucky Beau, but lost on
Miss Rillie.

E. S., Chicago. Yes, unless the bookmaker has a
rule that added starters run for his book and so
notified you.

Chas. A., Toronto, Ont. Kentucky Beau was of
course no part of the Lakeland entry, but Electioneer
was and the bet having been taken, should be paid.

won well in hand. Angleta began slowly, but improved her position gradually and finished fast and resolutely. J. W. O'Neill, taken wide of the way and extremely so on the stretch turn, was going faster than the leaders at the end. Mayor Johnson ran well in spots and closed a big gap in the final quarter. Allista showed the most early speed, but tired after going three-quarters. Alcor ran a dull race. Esterre showed speed.

Winner—Br. m. by Halmia—Jesse Lee B. (trained by F. Gering, Sr.).

Went to post at 5:10. At post 3 minutes. Start good. Won driving; second and third the same. Athena ran as if best, trailed the others close up in the early stages, moved up fast when called on, despite being forced wide by Hicks on Moccasin Maid, ran gamely in the final drive and won well in hand. Moccasin Maid ran a good race and showed superior speed, wore down Estrada Palma after going three-quarters, but was deliberately taken wide into the stretch, which cost her considerable ground. Mae Lynch had a rough trip and closed a big gap in the last half. The Mate also finished fast and ran a good race. Bullfinch had a rough trip and can do much better. Estrada Palma tired after going a good three-quarters.

Scratched—64486 Morendo, 100; 64376 Imboden, 101; 64560 Rhinoc, 98; 64455 Ternus, 98.

Went to post at 2:38. At post 6 minutes. Start poor. Won easily; second and third driving. Imposition was outrun for the first quarter, but moved up on the outside on the far turn and, after racing Tanbark into defeat, drew away without great effort in the last furlong. Gracchus began quickly and carried Tanbark along at a pace that made her quit after they had gone a half, but had nothing left when Imposition challenged. Bathmaria finished fast and was wearing Gracchus down at the end. Salvisa got off slowly and was given an easy ride. Cavatina ran well and looks like one that might improve.

Fleeting Star began quickly and, showing brilliant speed, sprinted away from her opponents in the first furlong and, opening a winning lead, was well in hand at the last furlong. Pedro moved up gamely and made his challenge on the far turn, but the winner easily shook him off in the last quarter. Golden Pheasant ran well and saved ground all the way, but was tiring at the end. Fire Alarm finished fast and had a rough trip in the early stages. Great Sorceress showed speed, but tired. Eva Iser closed a gap.

Went to post at 3:36. At post 3 minutes. Start good. Won easily; second driving; third the same. Exclamation was placed for the first mile, but moved up with a rush when Mountain called on him, went around the leaders when entering the homestretch and drew away without much effort at the end. Benvolio moved up on the turn out of the backstretch, but failed when it came to a drive and had his ears pinned back at the finish and appeared to be sulking. Cambridge finished gamely and outlasted Joe Levy under punishment. The latter dropped back in the first six furlongs and then closed a big gap. Vestryman and Arab set the early pace on suzerainty.

Winner—Br. f. by Titonus—Haricot (trained by P. J. Williams).

Went to post at 4:05. At post 3 minutes. Start good. Won driving; second and third the same. Toots Mook rushed to the front from the outside with a brilliant burst of speed and set a terrific pace, but was tiring at the end and barely outlasted Charlie Eastman in the final drive. The latter outbroke the others and had a length the best of it at the start, closed up gamely after entering the homestretch and appeared like the winner at the sixteenth post, but tired in the last dozen strides. Eminola ran well and, putting up a good, game stretch effort, outstayed Gold Enamel and Fair Calypso under punishment.

Scratched—64284 Scotch Pound, 97; (64560)Chalk Hedrick, 103.

Overweights—Eminola, 1 pound; Gold Enamel, 1; Coemosa, 13.

Winner—Ch. f. by King Gold—Sidda Hallow (trained by W. A. Burttschell).

Went to post at 4:35. At post 5 minutes. Start good. Won easily; second driving. Miss Leeds held her opponents safe all the way, opened a winning lead in the first furlong and, setting a fast pace, was going away in the last furlong. Orderly ran well, but just managed to last long enough to stall off Governor Orman. The latter had a rough trip, was sharply cut off by Orderly on the turn out of the backstretch and Fischer was forced to pull him up and go to the outside. Stoner Hill began slowly and closed a big gap in the last quarter. Nevator ran fairly well.

Scratched—64517 Operator, 98; 64515 Mrs. Annie, 103; 64584 Clifton Forge, 108; 64339 Raviana, 103; (64515)Rosi Ni Ni, 100.

FINANCE ON THE RACE TRACK.

"During the betting on the sixth race at Sheepshead Bay Saturday," says the New York Sun, "a man went up to bookmaker C. W. Watson and handing him a hundred dollar bill, said: 'Fifty on Royal Lady.' The cashier, in making the change, handed back a \$500 bill, mistaking it for a fifty. The man put it in his pocket and walked away before the error was discovered. The cashier soon learned of his error and turned to John Cavanagh, who told him to star the bet on the sheet and ask the man for the money when he came to cash. The latter appeared promptly when Royal Lady won and as soon as he was questioned about the money he drew the \$500 bill from his pocket and gave it up with good grace. But if Royal Lady had lost? Well, that is something that cannot be discussed here."
